

BRISTOL MOTOR CLUB

SATURDAY 25th MARCH 2017
CASTLE COMBE CIRCUIT

Bristol Motor Club is pleased to invite competitors to the Great Western Sprint, the longest Sprint course in the country.

We are now into the 10th year of running this event and its lap and three quarter format around the Castle Combe Race Circuit.

The sprint course will be 1¾ laps of the racing circuit. The start is at the pit lane exit, the finish at Westway on the second lap. Exit from the course is via the pit lane slip road into the paddock.

Competitors are reminded that it is their responsibility to check their car thoroughly and ensure that it is in a fit state to compete, especially following any work that may have been completed over the winter.

Please remember that noise emissions for this event are lower than normally allowable for sprints and are limited to 105 dBA, measured at 0.5m at three quarters maximum rpm, in compliance with J.5.18.

Also be aware that there will be no convoy runs. However, to enable competitors to familiarise themselves with the course layout, they will be given the opportunity of walking or cycling the course prior to practice, but must be clear of the course by 08.30 at the latest.

The Timekeepers will be TSL. There will be a time display on the return road to the paddock and a live timing screen in signing on for the use of competitors, but be advised that times shown on these are provisional.

Gates to the paddock will be open for competitors to arrive on the evening of Friday the 24th March, if they wish to. Camping in the paddock is permitted on the Friday night, there are toilet and shower facilities available in the paddock toilet block.
